**SARAH NETBURN, United States Magistrate Judge:**

Pursuant to the Court's COVID-19 policies, vaccinated counsel and parties may appear in the Courtroom without a mask if they have tested negative for COVID-19 using an approved molecular diagnostic test. (Antigen tests are not approved.) If a person will be removing his or her mask on successive days, the person may test on an every-other-day schedule; otherwise, the speaker must test negative on the day of his or her appearance. If a speaker has had a confirmed case of COVID-19 (verified by either a doctor's note or a viral test result) within the prior ninety days, he or she will be exempted from these testing requirements. Confirmation of negative test results (or of a prior case of COVID-19) must be provided to the Court through its staff.

This policy will be in effect when trial begins on Monday, February 7, 2022, and applies to all witnesses and counsel who intend to speak without a mask. Moreover, counsel should make adequate preparations to comply with these requirements before trial starts. The Court will not delay the start of the proceedings on account of this new policy.

The following is a list of the tests that are approved:

- PCR / RT-PCR / ddPCR / Rapid PCR (Polymerase Chain Reaction)

- All Antibody tests (such as IgG, IgA, IgM and Rapid Antibody Tests)
- All blood tests (such as fingerstick, venipuncture)
- All plasma tests
- All serum tests
- All lateral flow tests
- Any doctor's note

If counsel have any questions or need assistance (either procuring an approved test or arranging for a location within the courthouse to perform a test), they should email [covid\\_response@nysd.uscourts.gov](mailto:covid_response@nysd.uscourts.gov). If needed, the Court has tests that can be made available to the parties free-of-charge and that can be taken one hour prior to the scheduled appearance time, provided that there is 24-hours' notice sent to the Covid Response email.

Unvaccinated individuals should refer to the Court's Tenth Amended Standing Order, M10-468, dated December 22, 2021, available at <https://nysd.uscourts.gov/covid-19-coronavirus> for information regarding courthouse entry.
